FOR IMMEDIATE RELEASE

GOLIB.TV Announces partnership with Blackstone Audio Inc.

SAN DIEGO, CA, January 1, 2017 – **GOLIB.TV** an emerging leader in hosted online streaming service that streams the newest premium movies, audio-books, and music titles for library clients, will embark on a partnership with Blackstone Audio Inc. in order to distribute its' extensive collection of audio book titles via the GOLIB.TV streaming service. This partnership will enhance GOLIB.TV's offering by providing our library customers with the addition of high-quality audio books titles from Blackstone Audio Inc.

GOLIB.TV will provide for the streaming platform and services for this new joint project while Blackstone Audio Inc. will provide access to it audio books titles and on-going new releases to its' growing collection. GOLIB.TV is well known in the cloud-based virtual library space for access to high quality movie titles and services and for providing customers with an excellent user's experience.

Blackstone Audio Inc. is one of the largest independent audio-book publishers in the United States and industry leader which provides high quality audio book titles and experiences for consumer and library clients.

Lyon Leslie, the CTO of Golib.tv, states that "GOLIB.TV is excited to be partnering with Blackstone Audio Inc. and looks forward to working with them to better serve our library clients with the additional of their high quality and rich content to our collection".

ABOUT GOLIB.TV

GOLIB.TV is a service that allows library patrons to stream movies, audio books, music and more—including new releases—from a cloud-based virtual library that we host and support for our customers. If a movie is out on DVD, chances are you can watch it today on GOLIB.TV. GOLIB.TV's mission is to organize your library's information and make it universally accessible and useful. GOLIB.TV is headquartered in San Diego, CA. For more information see www.golib.tv
