

Learning Wizard LLC's Library Program – The need of the hour

The aim of Learning Wizard LLC is to provide high quality **tutoring & homework help** to students whenever they want and wherever they want. We work with the libraries to facilitate the learning process by providing online one-to-one **Live Homework Help** for students in Grades K to 12 in

- √ Math including Algebra, Calculus, Geometry, Trigonometry, Statistics, Probability and Elementary
- √ Science – Physics, Chemistry, Biology and Elementary
- √ English/Language Arts
 - Writing Assistance
 - Reading Comprehension/Grammar/Vocabulary through our library of state-aligned reading passages and questions
 - English Literature (American & world literature)

So, whether the students are struggling to learn or master a new concept, or have issues that run deeper than a set of questions or want to prepare for a test or simply want help in their homework, Learning Wizard LLC is a one-stop solution to all their learning needs.

With our package you can meet the needs of library cardholders even after the library business hours!!!

We customize our services according to the specific needs of your library as well as keeping in mind **your budget**. Our detailed monthly reports will demonstrate the usage and benefits, to your administration and community, thus reinforcing your faith in us.

Contact us now so that we can start working together to provide the following benefits:

1. **1-to-1 homework help**
2. **Direct link** to the Live Tutoring through our website.
3. All students remain completely anonymous, no sharing of email addresses or phone numbers. This helps us maintain our **COPPA compliance**.
4. Tutors communicate with the students using instant messaging and an interactive **voice enabled** virtual whiteboard with easy-to-use controls.
5. Tutors hold a minimum of a **Bachelor's degree** in their respective discipline along with 5 years of teaching experience.
6. Trained tutors according to specific **state curriculums** and hence are experts in catering to the specific requirements of students of a particular state and their respective exams, thus ensuring that the state standards are adhered.
7. Detailed **monthly usage** report.
8. **Flexible timings** to match the library's requirements.
9. Bilingual support (Tutoring in English, Spanish & Hindi languages).

How does it work?

The library subscribes to our program. We make the program flexible to meet the needs of individual libraries & their budget. Users access experts through library's website—either at library computers or from any computer with an Internet connection – all they need is a library card.

Why Learning Wizard LLC

- √ Not just homework help – We go beyond the homework help & provide live tutoring in addition to the homework help
- √ Most tutors have Masters, PhDs, or Bachelor's degree and 5-10 years teaching experience

- √ Low price – We understand the budget constraints of the libraries, hence, our customized program will cost your library half of what you are currently paying
- √ Voice enabled tutoring session - Option to make the tutoring session voice enabled, with no extra cost
- √ No Long waiting time – We have huge pool of tutors to minimize the waiting time of the students
